DISCONTINUANCE NOTIFICATION for Vapro Thermocouple Exchanges

Affected catalog numbers: RP-173, RP-174, RP-431, RP-432, AC-174, AC-066, and AC-067

Wescor, an ELITech Group Company, can no longer offer the Vapro Thermocouple Exchange program for models 5520(RP-173, 174) and 5600(RP-431). We will be offering replacement Vapro thermocouples.

**New catalog numbers are below:**

**RP-476,** Replacement Thermocouple for Vapro Model 5520 (0-3200 mmol/kg)

**RP-477,** Replacement Thermocouple for Vapro Model 5520XR (>3200 mmol/kg)

**RP-478,** Replacement Thermocouple for Vapro Models 5600 and 5600XR(>3200 mmol/kg)

There will no longer be catalog numbers AC-174(5600), AC-066(5520), or AC-067(5520XR) used with the Vapro. They are being replaced by the new catalog numbers RP-476, RP-477 and RP-478 mentioned above. This will go into effect January 01, 2012.
